<b>CHOSEN ACTION / APPROACH</b>		<b>Cost (£)</b>	<b>% of PPG children meeting or exceeding age-related expectations</b>		<p>The school was moderated for KS2 Writing in 2016. As a result we have raised the threshold for "age-related" expectations, which explains the "drop" in writing.</p> <p>Under the previous curriculum one of the two children child would have remained on track for a good Level 4. We have every confidence that this child will achieve a scaled score of 100+ in due course.</p>
