Parent Governor Election

Dear Parent and carers,

We have a vacancy for a parent governor which we need to fill as soon as possible. Parent governors are elected by and from the parents of children currently attending our school. They serve a four-year term of office and bring a very important and valued perspective to the work of the governing body.

You might like to look at the information for prospective governors on the Gloucestershire County Council website www.gloucestershire.gov.uk/schoolsnet/governors Further information on the role can also be obtained through the school office.

The governing body has a vital role to play in making sure every child receives the best possible education. This is achieved by ensuring that governors have the necessary skills and commitment to contribute to the effective governance and success of the school. The particular skills that governing bodies need will vary and will include personal qualities and capabilities, such as the ability and willingness to learn and work as part of a team. It is expected that governors will make use of the various training opportunities available to them and play a full part in the work of the governing body.

If you interested in becoming a governor, contact the school office with your nomination (self nomination is acceptable), which will need to be with the school by 12.00 noon on Tuesday 22nd September.

If there are more nominations than vacancies, an election will be held and you will be sent a voting paper.

Yours sincerely

Headteacher/Chair of Governors

Dear Parents and Friends,

Stones

At Collective Worship on Friday we welcomed the Reception children to our school. They each placed a special stone on our silver plate, joining others placed by the older children which represent our school community. "Each stone is unique – beautiful in its own way, special and precious, just like each one of us."

Money to the office

Mrs Todhunter wishes to remind parents that money coming into school should be sealed in an envelope with the child's name on the front and any accompanying slip should be inside with the money. It is also helpful if money requested by school for different purposes is sent in on different cheques. Often it needs to be paid into different accounts and this saves us having to request the money a second time.

Kitchens / Staffroom

Over the summer holiday our staffroom and kitchen area were upgraded to give us a kitchen where we could teach cooking. At the FONNS meeting last night FONNS agreed to support the redecoration of the staffroom and kitchens, so if you are handy with a paintbrush watch this space for a date.

Road Safety

At the end of last year two of our Year 6 children won a competition to design road signs to help reduce accidents in North Nibley. PC Charlotte King is pictured with the winners, and one of the signs on the approach to the village. We have booked a Year 6 cycling course for November.

Can you help?

One of our parents is having difficulty with dropping off in the mornings, and then making work on time. If you live in the village, might you be able to support them by bringing an extra child with you? Ideally they would be dropped off at 8.30. Please see Mr Batchelor for details.

Our Christian Value - Friendship

"The only way to have a friend is to be one." -

Lost

School has lost a large black and yellow extension lead reel, possibly at the time of the music festival. Please can everyone involved keep an eye open since it will be expensive to replace? Thank you.
