The Redwood - Halmore - Year 1 and 2 – Friday 13<sup>th</sup> November  
22/9/15

Dear Parents,

On Friday 13<sup>th</sup> November we will be taking all Year 1 and 2 to use Redwood outdoor centre to work on curriculum activities. This outdoor learning consolidates and enhances classroom learning and is encouraged under the new curriculum.

We will be travelling by coach and need to ask for a voluntary contribution of £4.00 towards these transport costs. We will leave school about 12.00am and leave Redwood at 3.00pm returning to school by the end of the school day.

All children will need a packed lunch for this trip.

Please fill in the slip below and return by Wednesday 11<sup>th</sup> November.

As this day is 'Children in Need' day this clothing can, of course also be spotty!

Please ensure all children have their water bottles with them.

As the day will be spent working in the forest, the children will need long sleeved tops and trousers to protect them from stinging nettles, ticks etc. Please make sure they have waterproofs and wellies depending on the day! All children need their school tops.

Dear Parents,

We are offering to send maths games home with the children and are writing to ask if you would like your child to participate in the project.

We believe that playing educational games with your child is one of the best ways to support and help him/her to learn and use a range of concepts in a fun way. Games can consolidate or extend learning, develop language and social skills and be part of the important, enjoyable time that a child spends with an adult. All our maths games have been bought to develop specific skills and concepts. FONNS has generously donated additional Maths Games to extend the learning at the higher and lower end of the school.

As you can appreciate they have taken a lot of time and effort to prepare and organise and I would ask for your co-operation in the following ways so that we can continue to send home weekly games to everyone.

- Games will be given out at the start of the week - please return them by 9.00am the following Monday.
- Please ask your child to put the games in the box provided in the entrance hall outside the office.

After each block of five successfully played and returned games, the children will earn a certificate. Please make sure the signed and completed record sheet comes back to school inside the games folder as this will show when your child is to be presented with their certificate.

Please be aware that these game packs cost £5.00 each and therefore we will require any loss or damages to be paid for.

As always your input is invaluable, any comments on how we can further help you will be well received.

I hope that you will enjoy playing the games with your child and I would like to thank you in anticipation of your support of this valuable home/school link.

Please sign and return the slip below if you would like to join in if possible by Wednesday 11<sup>th</sup> November.

Yours sincerely,

Mr P Batchelor

Dear Parents,

As follow up from London and part of our English work your child has been working on persuasive writing. They have been asked to write you a letter trying to persuade you to take them back to an activity they enjoyed.

It has been explained to them that for numerous reasons I do not expect you to actually take them, however I would be grateful if you could discuss with them whether or not their persuasion works.

Yours Sincerely

R Surridge

Dear Parents,

**\*NEW\* PLEASE READ ALL THE NOTES ON THIS PAGE CAREFULLY!**

Would you please check that the information on the attached Data Checking Sheet is correct and fill in any missing details or information we should have? When checked please return it to the School Office so that our records can be updated.

This Data form 'software' has pre-defined fields by the LA and I cannot alter them. Please do not feel that your previous amendments have been ignored!

- The contacts on the data collection form only allows for Mother, Father or other family member. There is no option to put Grandmother, Aunt etc. so please do not feel that your previous amendments have been ignored!
- If your details such as email, home number, mobile and/or your work numbers are in the TOP BOX there is no need to repeat this information below.
- Could you please note the system only **allows one** option for transport so it is only your most usual mode of transport which can be noted. This comes on the sheet as car/van you do not need to cross out the van option. You will see the transport you currently use next to the question asked. You do not need to re tick the boxes.
- **You do not need to fill in anything on the lunch section.**

**The email address you have given to us will only appear in the top box, you do not need to add it to the contact sheets.**

This form is required by law to be issued annually. We do have more detailed contacts on the school file cards.

It would be helpful if all forms could be returned by the FRIDAY 6<sup>th</sup> of November.

Yours sincerely,

Mr P Batchelor  
Head Teacher.
