7<sup>th</sup> June 2016

Dear

As you may be aware, all four classes at North Nibley teach children in mixed-year groups. Legal limits on infant class sizes mean that three year groups (Reception, Years 1 & 2) are often taught across 2 classes. Over the coming weeks the staff will be beginning to consider the likely placing of your Reception-aged child for their Year 1 experience in 2016-17. Upper-most in our thinking is the need to ensure that children receive an education that allows them to flourish. In this letter I explain the process we will follow before final decisions are made.

1. The process will begin with an open meeting, when the criteria will be clearly explained. This year the meeting will be held on Thursday 23<sup>rd</sup> June at 6.30 and I do hope you can attend.
2. Parents will have an opportunity to share their observations and concerns in a questionnaire, issued at or just after the first meeting. We also ask your permission to disclose the year 1 placements for all the children in the Year group. This is a help to you because, when our placement letter comes it gives a better insight into the thinking behind the decision, and the presence of 'known friends' may reduce any anxiety the children feel. It seems fair to me that this must be agreed by all before school will follow this through. If one parent withholds permission it would be respectful to withhold sharing any of the details in this way.
3. Parents will be able to meet with staff individually to hear the school's current thinking. This will take place in 'Parent Evening' style appointments, preferably all parents on the same day. We have put aside 1:00 pm – 5:00 pm on Wednesday 29<sup>th</sup> June to meet with you. Please tell us if this is inconvenient for you.
4. The initial decision will be made early in July, in writing, to allow end-of-year assessments to play a part in the decision. To ensure all parents receive the information on the same day letters will be sent by post.
5. Following this letter, parents will be able to meet with staff to explore any factors which they feel might have been given insufficient weight.
6. You will be informed in writing about the school's final decision before the end of the school year. I can confirm that School Governors play no part in deciding the Year 1 placements for your children. School staff are solely responsible for the day-to-day management of the school; the Governors have a strategic role.

If there are any aspects of this process that you would like to ask about, please do not hesitate to contact Miss Allen or myself. This can be a difficult time for all involved. Whatever the outcomes, I do wish to assure you that your views will be listened to. If we are not able to accommodate your wishes, please continue to have confidence that any concerns raised can be successfully overcome, through the high quality teaching and great levels of care you have come to expect.

Yours sincerely,

Paul Batchelor, Head Teacher

Dear Parents and carers,

On Thursday 8<sup>th</sup> June children are required to wear their school uniform to the Weston trip. It would be useful if all children could bring a rucksack which fits their lunchbox, a waterproof jacket and sun cream in.

We are hoping for this pleasant weather to continue, therefore it is essential that children are sent with a sun hat and a bottle of water. **All children will need a lunchbox.**

Many thanks,

Miss Allen and Miss Tyers
