Dear Parents and Friends,

Sports Relief We were all set to begin our Daily Mile for Sports relief when the skies opened and the rain came down. Even so, Class 4 were keen and set off on their 10 minute run. Mrs Dixon had calculated that 16 laps of the playground equalled a mile, so by logging our laps we were able to come to a school total. Over time we hope to match the distance from John O'Groats to Land's End. **Miles of Smiles!**

I was most interested to receive a 'deputation' at my office today –

Class 4 had been working on 'balanced arguments'. The group pictured above had considered the question "Should homework be banned?" They arrived with a well-constructed text exploring the pros and cons of homework, before arriving at a conclusion. Interestingly, the conclusion was NOT unanimous! (But can you guess what it was?)

The BOX-OF-SOCKS To prevent our electrical cables from tangling, we put those not currently in use in old socks! We are currently running out and request donations of old 'mountain boot' style socks. Those with small holes will be much appreciated and demonstrate a commitment to being environmentally friendly. We would be especially pleased if they have been recently washed!

SPORTS NEWS On Thursday the 8th March eight children went to a mountain bike competition at Bluecoat Primary School. The races were done as relays in groups of four. Two of the races started off with a mixed group (two girls and two boys) and the remainder with races for girls, and races for boys. North Nibley won all 12 of their races (please bear in mind we had never entered this competition before!) and so we go through to the District Finals in Stroud.

Class 3 violin concert On Mon 19th March, at 2.30, Class 3 will be pleased to show you how far they have progressed with their violin playing. Do join us in the hall.

Website request Do we have amongst our community any experts in SharePoint or Microsoft Teams? This would be another step for our school into the 21st Century.

Teaching Assistant interviews Thank you to children in Year Two who helped us with our decision making, by working with 4 adults today. Each candidate praised your effort and enthusiasm. I hope to have the outcome for you next week.

School Council News The elected co-chairs of the school's Pupil Council have been invited to the next Full Governor's meeting to talk about their work so far. Time to get the special biscuits out!

Compassion is our Christian Value in Focus: "Mankind was my business. The common welfare was my business; charity, mercy, forbearance, benevolence, were all my business. The dealings of my trade were but a drop of water in the comprehensive ocean of my business!" Charles Dickens, A Christmas Carol

World Book Day

Now the snow has thawed the answer to the Where's Wally treasure hunt can finally be revealed. Were you right?

Can we have our books back? We are running up a large photocopying bill producing our Maths Passport help booklets. Please return the ones you no longer need. It would be good to see a number returned after the half-term break. Thank you.

In my role as **Designated Safeguarding Lead** for the school I had to attend bi-annual multi-agency Child Protection training this week. In the course of the day we shared stories of the dangers of unsupervised internet access and, more worryingly, the back door to grooming which exists in many of the games that children play online. "Naivety" was a word used frequently to describe parental understanding. A determined individual will find a way to exploit any opportunity that games and potential victims present, – and they only have to be lucky once. Children are actively targeted. LAST YEAR cases of child abuse which featured an online element rose 44%.

PLEASE, PLEASE PLEASE join us and other parents of the Tyndale Cluster schools when we run a parent meeting on e-safety awareness. We have booked 'e-safety expert' Alan Mackenzie to lead us, here on **18th APRIL 2018**. The event starts at 6:30 p.m. and ends at 7:30 p.m. Head Teachers from 12 local schools will be meeting with Alan in the afternoon. Those of us charged with Child Protection take this very seriously, and with good reason.

ParentPay Just a quick reminder that all trip and school money should now be paid through ParentPay. Thank you.

SCHOOL DINNERS In accordance with the County Catering Contract, the price of a paid school meal will increase to £2.36 from Monday April 16th 2018. The County Council reluctantly has to increase the selling price of a school meal due to the increases in the national living wage, food, materials and transport during the last twelve months.

Can you help? We are looking for someone with good DIY skills to help make a repair or two around the school. Please contact us using the information above. Also, could a qualified volunteer PAT test two appliances please?

Tissues We would be very pleased to received donations of boxes or tissues since colds seem particularly 'popular' at the moment. Thank you.

Nibley Festival

Friday 6th July through to Sunday 8th July 2018

Volunteers

This will be Nibley Festival's 12th year and it has always been run entirely by volunteers to raise money for local charities and the local community. Nibley School has been part of it since the very beginning and it has been down to the dedication of parents and teachers past and present that has allowed us to raise so many funds for the school. We wanted to send a little information out to all parents about the festival, to encourage Volunteers to come forward and help out during this year's event. The festival brings in a **MASSIVE** revenue for the children at the school, raising over **£10,000.00** at last year's festival. The money is used on various things in and around the school, with each child benefiting from.

In the past the moneys raised at the festival have helped North Nibley School with:

- **The Christmas Panto trips to the theatre – Taking the whole school on coaches to Cheltenham to enjoy an amazing performance last year.**
- **The School Playground – With great new equipment and landscaping of the playground.**
- **10 high spec iPads for the children to use within the school**
- **A Digital Camera**
- **School identifiable jumpers for staff to wear on school trips.**

We Need Your Help.....

We would love to be able to increase our volunteers for this upcoming year, to offer a few hours of your time on one of the following shifts, The shifts can vary depending on what you would like to do, so don't feel like the pressure is on to do every shift, if you can only offer a couple of hours then we would be most grateful of what you can do.

Thursday Set Up late afternoon evening - setting up the marquee, signage, tables, bunting..

Friday set up daytime before festival opens at 2pm – Fixing the bbq's, til, warmers, stock..

Friday Bar - A fun night behind the bar serving local beers and wine, we have a team serving and taking money with another team doing the pouring, with a little flexibility and a lot of laughs the shift flies by.

Friday & Saturday Evening BBQ - Roles ranging from manning the BBQ, food preparation, taking orders and money, serving food, serving hot drinks, there is usually somebody needed to dash in between everyone else on general "runner" jobs as well.

Saturday and Sunday Breakfasts – As above but more relaxed and fun serving the campers their breakfasts and spotting those that are still a little wobbly.

Sunday closing - Any help with tidying and taking everything down is also much appreciated.

Dear Parents

On Friday we have the opportunity to join with much of the country in raising funds for Sports Relief. During the day we hope to trial a 'Daily Mile'. We therefore request that children bring an appropriate donation to the school and ensure they have their kits in school ready for the challenge!
